July 9, 2007

Dear Sirs:

Weslaco Softball Baseball is an organization that has kept our youth active for the past 20 years by providing Softball and Baseball in our community. This will be our sixth consecutive year that our organization is part of the Rio Grande Valley PONY Baseball/Softball program. Our program has expanded so greatly that it has given our home teams the advantage of playing other valley teams from Rio Grande City to Brownsville, as well as out of valley teams from the Corpus Christi, Kingsville, and Austin areas.

We are happy to announce that this is the 1st year that our All Star Bronco Division (11-12 years old) in Girls Softball has advanced to the National Fast Pitch Softball Tournament to be held August 1st-August 5th in Round Rock, Texas. We would greatly appreciate any type of contributions to our All-Star Team, your contribution will be greatly appreciated and will be used to offset team expenses.

Visit our website where information on our organization, teams and events is readily available at www.wsbnet.org and see what Weslaco Softball Baseball is all about. We believe in the PONY motto: "Protecting Our Nations Youth."

Thank you for your support and keep in mind you are helping our youth in a making a dream come true.

Sincerely,

WSB Directors;
A U Strickland
Elia Rodriguez
Oscar Caballero
